Case No. XD-2005-0404

ORDER CANCELLING CERTIFICATE AND TARIFFS

This order cancels the certificate of service authority and tariffs of Corban Communications, Inc.

On May 10, 2005, the Staff of the Missouri Public Service Commission moved the Commission to open a docket for the purpose of cancelling the certificate and tariffs of Corban Communications, Inc. In support thereof, Staff stated that this Commission granted Corban an interexchange ("IXC") and non-switched local telecommunications certificate of service authority and approved its tariffs in August of 2003 in Case No. XA-2004-0045; that Corban's president requested by letter in October 2004 that the Commission cancel its certificate and tariffs; that Corban currently has no customers in Missouri and has had none since before October of 2004; that Corban is presently in liquidation under Chapter 7 of Title 11 of the United States Code; that Staff contacted Corban's bankruptcy attorney who stated that its certificate and tariffs should be cancelled; that Corban has no pending actions or unsatisfied judgments against it, arising within the past three years, involving customers service or rates; and that Corban has no unpaid Commission assessments, but has not yet filed an Annual Report for 2004.

The Commission has reviewed Staff's Motion and will grant the requested relief and cancel Corban's certificate and tariff.

IT IS THEREFORE ORDERED:

1. That the Motion to Open Case and Cancel Certificate of Service Authority of Corban Communications, Inc., filed on May 10, 2005, by the Staff of the Missouri Public Service Commission, is granted.
2. That the certificate of service authority granted to Corban Communications, Inc., in Case No. XA-2004-0045 is cancelled.
3. That the tariff of Corban Communications, Inc., P.S.C. Mo. No. 1, approved in Case No. XA-2004-0045, is cancelled.
4. That this order shall become effective on May 21, 2005.
5. That this case may be closed on May 22, 2005.
